SINGER, SONGWRITER DIRECTOR, PRODUCER, ACTOR, SPEAKER, AUTHOR

A Hollywood veteran who throughout his 40+ year career in the entertainment industry encountered victims of demonic attacks, reported alien abductions, Satanic Ritual Abuse (SRA), trafficking, mind control, programming, and the New Age. This unique insider perspective of the Hollywood dream eventually brought David to his knees. After working with some of Hollywood's top actors and actresses, the "dark, Satanic underbelly" of that life pierced David's heart and it became the catalyst of a new calling: DAVID HEAVENER TV MINISTRY - a viewer supported Christian platform offering hundreds of videos, documentaries and expert insights into controversial topics the church often ignores.

So, I asked the Father and He is showing me people and I'm forgiving them.

This is so powerful. Thank you David.
